*Miriam, COPAC Rep*

A pilot project was implemented this year at OKM for Grade 11 students for an outdoor education opportunity for Grade 11 students. The first year was a success. They are now looking for more funding to continue and expand this program to reach more students. For more info, check out the site <http://questbc.weebly.com/>

## 4 REVIEW OF MAY PAC PROGRAMS

---

- **Footprint Days & Amazing Race** | *Rhonda Jarvis*  
Event was really well attended. We will look at doing other types of rewards, other than food, for kids who participate, such as extra outside time, or play time etc. This applies to other school activities where food is offered as the prize for good work. Mme Briggs and Crombie will give more thought to what non-food rewards could be offered.
- **Bike to School Week** | *Joanna Cann*  
This year we did 2 Bike to School weeks, one in September and one in May. Next year we will just do one week in May to lessen the load on teachers at the beginning of the school year.
- **Family Fun Night** | *Sarah Bendall*  
This was really well attended, one of the best attended in recent years. A huge thank you to all of the volunteers for their help with the night. Looking forward to next year's 'Circus' theme!
- **Popcorn** | *Rhonda Jarvis*  
Popcorn revenues have far surpassed expectations. We are looking for volunteers to help with popcorn distribution on Thursday afternoons. This program not only raises money for the school, but also helps Grade 6 students raise money to put towards their Grade Six school trip.

## 5 OTHER ITEMS

---

- We will be looking for parent volunteers to help out with the Grade 6 Farewell for next year. It happens on the last Monday in June.
- Miriam will take on the lead for Wednesday Fun lunch.
- Meeting Adjourned 7:45.
