A survey has been sent out to all parents to get feedback from parents on how they liked the evaluation this academic year. All of those who complete the Survey will be entered into a draw to win a Sparkling Hill package!

3. Kindergarten Parent Plan for September- feedback for GME bootcamp

GME will be offering 1 hour info sessions for all parents of kindergarten students in September 2018, during the gradual entry period. This will be an opportunity to share all kinds of important info re GME, such as fun lunch, communicating student learning, PAC opportunities, etc

4. Maps- where do the 29 classes go?

Teachers brainstormed ideas for how GME can accommodate the growing population next year. These generated maps can be seen on the hallway wall across from the office.

4. REVIEW OF MAY PAC PROGRAMS

- Family Fun Night | *Deb Lawless*

Was a success! PAC discussed ways of building this up even more next year, perhaps including a talent show, and encouraging more of the older students to participate in the activities.

- Popcorn | *Tara Godwin*

Still looking for parents to volunteer with this program. If we don't get more parental support, the program will have to end.

5. UPCOMING PAC PROGRAMS

- Bike to School Week | *Joanna Cann*

Another success! It was well organized and attended this year. We may do an informal bike to school week in September.

Meeting adjourned at 8:00. See you all in September!
